SCALE - Location: Left Hip - Movement Assessed

- Hip flexion contracture
 Adductor contracture or spasticity
 Hamstring tightness
 Mirrors motion on opposite limb
 Motion slower than 3 second verbal count
 Moves one direction only
 Movement of other joints
 Motion < 50% of available ROM

SCALE - Location: Right Hip - Movement Assessed

- Hip flexion contracture
 Adductor contracture or spasticity
 Hamstring tightness
 Mirrors motion on opposite limb
 Motion slower than 3 second verbal count
 Moves one direction only
 Movement of other joints
 Motion < 50% of available ROM

SCALE - Location: Left Knee - Movement Assessed

- Knee extension with resisted limb extension
- Knee flexion contracture
- Hamstring tightness
- Mirrors motion on opposite limb
- Motion slower than 3 second verbal count
- Moves one direction only
- Movement of other joints
- Motion < 50% of available ROM

SCALE - Location: Right Knee - Movement Assessed

- Knee extension with resisted limb extension
- Knee flexion contracture
- Hamstring tightness
- Mirrors motion on opposite limb
- Motion slower than 3 second verbal count
- Moves one direction only
- Movement of other joints
- Motion < 50% of available ROM

SCALE - Location: Left Ankle - Movement Assessed

- Dorsiflexion with resisted limb flexion
- Knee flexion contracture
- Hamstring tightness
- Plantar flexion contractures
- Plantar flexor spasticity
- Inverts or everts, not pure dorsiflexion
- Primarily moves toes
- Mirrors motion on opposite limb
- Motion slower than 3 second verbal count
- Moves one direction only
- Movement of other joints
- Motion < 50% of available ROM

SCALE - Location: Right Ankle - Movement Assessed

- Dorsiflexion with resisted limb flexion
- Knee flexion contracture
- Hamstring tightness
- Plantar flexion contractures
- Plantar flexor spasticity
- Inverts or everts, not pure dorsiflexion
- Primarily moves toes
- Mirrors motion on opposite limb
- Motion slower than 3 second verbal count
- Moves one direction only
- Movement of other joints
- Motion < 50% of available ROM
